Free Heat Pump Water Heater Installation Training

Get the skills you need to install Heat Pump Water Heaters (HPWHs) correctly and avoid costly callbacks. Join experts Nick Brown and Gary Klein for a FREE training designed to help you succeed with every HPWH install.

What you will learn:

- Why we need HPWHs
- How they differ from typical WHs
- How to install one in a closet
- Do's and don'ts of installation
- The importance of air flow
- How to access rebates for HPWH projects
- What's available now from manufacturers
